## DISCIPLINE POLICY

The philosophy of Gateway Christian Academy regarding discipline is necessary for the welfare of the student as well as the entire school and is based on the partnership of the home, church and school. We believe that the first institution established by God was the home. It is the home where children are taught the difference between good and evil. Our school exists to provide a continuation of Christian education that should first start in the home of our students. Effective classroom discipline is a necessary key ingredient for a good learning environment.

The purpose of discipline at Gateway is not only to achieve this goal but also to help students learn self-discipline and good character traits, become self-directed members in the immediate environment and eventually as future members of a larger society. Discipline, or training up of a child, affords us all the opportunity to provide a safe, wholesome Christian environment. The teacher is responsible to maintain appropriate classroom behavior. Certain behaviors are unacceptable and will not be tolerated. Therefore, specific standards are set to see that each child is obedient, respectful and accountable for his/her actions and that Gateway is fair in its enforcement of the rules.

The Word of God tells us that **obedience** to rules and guidelines is essential for intellectual, spiritual and physical growth (Luke 2:51). **Respect** teaches us the value of meaningful relationships (Luke 10:36-37). We are to instill the character of Jesus and hold each child **accountable** for himself/herself to God (Romans 14:12). With the help of the home, church, and school, we are working towards the education of the children of God. We believe that obedience, respect, and accountability are the means by which to instill a righteous attitude in our students for Christ.

As partners in the discipline process, it is imperative that home and school maintain the same standards. We expect our students, your children, to adhere to all the rules that have been established in our institution. Failure to adhere will result in consequences ranging from loss of privileges to expulsion. In addition, each teacher is given the liberty of making and enforcing classroom rules in accordance with Christian principles and the school's discipline policy. However, administration can and will make the final decision regarding disciplinary actions for any infraction, when warranted. Gateway expects full cooperation from both student and parent in the discipline of the student.

Gateway is not a remedial institution; consequently, we ask that a child not be enrolled with the idea that he/she will be reformed without parental discipline. We are here to work with the home, but not to take the place of parents who have had trouble disciplining their child or fail to take responsibility in fulfilling their roles. Parents who are not willing to discipline their children and cooperate with the school's discipline policies should not seek to enroll them at Gateway.

Gateway is dedicated to the training of children in a program of study, activity, and living that is Bible-based. We believe that “all things should be done decently and in order,” and that “there is a time and a place for everything under the sun.” Our students should be taught to accept the responsibility to walk honorably before God and man.
